

HONLIX

Company Info

HONLIX

HONLIX (<http://www.honlix.com>) designs and manufactures

1. High-Power Waterproof Connector

Electric bicycle/balance scooter/electric motorcycle/scooter/electric car-power supply and communication connector for charging, discharging, and battery exchange

2. Wire Harness Components

Electric bicycle/balance scooter/electric motorcycle/scooter/new energy vehicle- connector wiring harness assembly processing, complete vehicle wiring harness and processing.

HONLIX located in the kunshan and henan area,
Serves as the home base for global marketing, and
Engineering. We provide our customers with excellent
Service, high quality products, rapid turn-around, and
Engineering support – all at very competitive prices.
Kunshan of China, has positioned itself to become one
Of the HONLIX electronics manufacturers in the world

Kunshan

Henan

HISTORY OF HONLIX

HONLIX

2011: Kunshan established HONLIX

2013: Kunshan factory successfully obtained ISO9001-2008 certification in the third quarter

2015: OFFICE was set up in the United States in the third quarter, and the Kunshan factory ERP was launched in the fourth quarter

2017: Invested 30 million yuan to establish HONLIX'S largest production base in the world (Henan factory), self-purchased 20 acres of land, a total area of 10,222 square meters, a construction area of 6,000 square meters, and 20 assembly lines. The total number of people in the future is 350-400 people, and the annual output value is 2 ~300 million RMB

2019: The company and products are precisely positioned as "one-stop connection solution provider for high-power waterproof industrial connectors + wiring harness components"

2021: Then upgrade ERP to SAP (support Chinese and English), and support OA+PLM+ERP+CRM+MES as one enterprise management software, standardize the operation process and improve the management level.

Why did you choose HONLIX?

HONLIX

1. Very low MOQ

1. Special wire and Cable:MOQ:300M
2. Waterproof connector and wire Harness:MOQ:500pcs

2. Fast productions turnaround delivery

1. Standard product L/T: 1 day(twenty-four hours)
2. OEM/ODM product:7~15 days(working day)

3. Super product quality

Product's lifetime 3 times warranty period

4. Very competitive price

Delivery from factory,price rationality

5. Special custom

In 13 years of professional HONLIX team

6. Total solution

Connector + wire harness assembly design, development, manufacturing and sales of complete solutions

7. Global Network

Plant: KS/HN

Sales office: USA/Japan/China/Taiwan/Vietnam/Malaysia

CORPORATE CULTURE

Core value

Customers first Teamwork,
embrace change Passion,
integrity, dedication

Mission

The product to the extreme Create
value for customers

Vision

Become the customer's first choice
